

Application for Academic Excellence Program
Sherwood Heights for the 2019/2020 school year
GRADE 9

Name: _____ Homeroom: _____ Current Core Average _____

The Academic Excellence Program at Sherwood Heights is offered to students in grades 8 and 9. Opportunities are provided for students in the core classes which challenge and enrich their learning experiences. Students will be required to complete two special projects which broaden their exploration of core subject material. The program follows the Junior High Program of Studies, formative and summative assessments are based on Alberta Education learning outcomes. Students wishing to enroll in this program must meet minimum academic standards as found in the registration guide. All applicants will be informed of acceptance by the end of May.

Briefly, describe a special project you would like to explore during your grade 9 year.
