Monthly Smudge: Students who are participating in the monthly smudge on December 1, 2022, with Jeremy Albert and Mrs. Burton, your consent forms are due at the office by November 30. It will be hosted in the Art Room. If you would like a paper copy of a consent form to take home, please see Mrs. Shiloff in the office.

Lost and Found: If you are missing your Invisalign, please come collect it in the office. It was found in the storage room in the Construction Lab on November 14th.

Did You Know: The red food dye used in Skittles is made from boiled beetles. Carmine, also known as carminic acid, is a common red food dye that can be found in Skittles, maraschino cherries, raspberry, and strawberry-flavoured junk food, and even lipstick.

Dactylopius coccus beetle

Carminic acid also happens to be made from the crushed carcasses of a beetle known as the *Dactylopius coccus*
